(“**Revvity**”) hereunder, you (a) acknowledge that you have read and understand this Free Trial License Agreement (the “**Agreement**”); (b) accept this Agreement and agree that this Agreement constitutes a legally binding agreement between you and Revvity; and (c) represent and warrant that (i) you have the right, power, and authority to agree to this Agreement, and (ii) if you are entering into this Agreement on behalf of a company or other legal entity, you have the legal authority to bind that legal entity and the Users (as defined below) to this Agreement, and “you” or “Customer” shall mean such entity and those Users downloading, accessing or using the Trial Products as a result of your free trial request.

If you do not accept or do not have the authority to accept this Agreement, you may not access or use the Trial Products.

1. License Grant. Subject to your compliance with this Agreement and solely during the Evaluation Period (as defined below), Revvity hereby grants to you and your Users a non-exclusive, non-transferable, non-sublicensable, limited and revocable license to: (a) download, install, access and use the Software and (b) access and use the SaaS Service; in each case for **your internal evaluation and non-production use only**, and not for commercial or general production use. In this Agreement, “**Users**” shall mean you and your employees, contractors, and agents who are authorized by you to download, install, access and use the Trial Products (as applicable) under the rights granted to you pursuant to this Agreement. You shall remain responsible and liable for your Users’ compliance with this Agreement. Revvity shall provide you and/or your Users the necessary passwords and access credentials to allow you to access the SaaS Service. You and your Users are responsible for keeping your passwords and access credentials associated with the SaaS Service confidential and you will not sell or transfer them to any other person or entity. You will promptly notify us of any unauthorized access to your passwords or access credentials.

1.1 Use of Accessible Data: Non-Revvity Add-In. To the extent the Trial Products contain, or provide remote access to, any images, photographs, animations, video, audio, music, text, “applets,” databases and/or data files (the “Accessible Data”), such Accessible Data is owned by Revvity or its licensors and suppliers and protected by United States copyright laws and international treaties. Other trademarks and copyrights are the property of their respective holders. The Accessible Data is solely for Your own internal use. You may not copy, distribute, reproduce or otherwise make publicly available the Accessible Data. Any violation of this provision shall be a breach of this Agreement and may result in a revocation of access to the Accessible Data, termination of this Agreement, and/or civil or criminal penalties. The Trial Products may also permit You to access, download, add, or use certain software add-ins, content, features, or technology, whether created or built by You or obtained from a third party or public source, into or within the Trial Products (collectively, “Non-Revvity Add-Ins”). You must comply with all terms, conditions, restrictions or other obligations pertaining to Your access to, download, or use of the Non-Revvity Add-In(s). You are solely responsible and liable for, and Revvity hereby expressly disclaims all responsibility and liability for, (i) any security vulnerabilities and the consequences of such vulnerabilities arising from Your accessing, downloading, adding, or using any Non-Revvity

Add-In, including, without limitation, in the event Your Internet access or any Non-Revvity Add-In contains any virus, malicious code, Trojan horse, worms, or other programming routines that could limit or harm the functionality of Your computer or network or that could damage, intercept or expropriate data, and (ii) any other issues, problems or damages arising from Your access to, or download, addition or use of, any Non-Revvity Add-In, including, without limitation, any damage to or impairment of the Trial Products. All access to and use of Non-Revvity Add-Ins is at Your sole risk.

1.2 Customer Data; Aggregated Statistics. “Customer Data” means, other than Aggregated Statistics, information, data, and other content that is submitted, posted, or otherwise uploaded by you or on your behalf through the SaaS Service. You hereby grant to Revvity a non-exclusive, royalty-free, worldwide license to use, display, reproduce and perform all acts with respect to the Customer Data as may be necessary for Revvity to provide the SaaS Service to you. You are solely responsible for the development, content, operation, maintenance, and use of Customer Data. Notwithstanding anything to the contrary in this Agreement, Revvity may monitor your use of the SaaS Service and collect and compile data and information related to your and your Users' use of the SaaS Service to be used by Revvity in an aggregated and anonymized manner (“Aggregated Statistics”). As between Revvity and Customer, all right, title, and interest in Aggregated Statistics, and all intellectual property rights therein, belong to and are retained solely by Revvity. You acknowledge that Revvity may compile Aggregated Statistics based on Customer Data input into the SaaS Service.

1.3 Security Mechanisms. Revvity and its affiliated companies take all legal steps to eliminate piracy of its software products. The Software may include a security mechanism which collects and transmits usage data for the purpose of detecting the installation or use of illegal copies of the Software. You hereby consent to such detection and collection of data, as well as its transmission and use. Revvity also reserves the right to use a hardware lock device, license administration software, and/or a license authorization key to control access to the Software. You may not take any steps to avoid or defeat the purpose of any such measures. You shall keep all license files and authorization keys (if any) confidential and shall not provide access or transfer Your license authorization key to any third party. Use of the Software by You without the required lock device or authorization key provided by Revvity is strictly prohibited.
